

## Svič 10/100 16-port TP-Link TL-SF1016D

Šifra: 122897

Kategorija proizvoda: Switch uredjaji

Proizvođač: TP-Link

**MpCena:** 4.122,00 rsd.

cena za odloženo plaćanje i kupovinu na rate

**Web Cena:** 3.435,00 rsd.

cena za web porudžbine i avansno plaćanje

|                    |                                                                                                                                                                                                                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Tip:               | Neupravljivi                                                                                                                                                                                                                                                                                 |
| Portovi:           | 16                                                                                                                                                                                                                                                                                           |
| Prenos podataka:   | 10100 Mbps                                                                                                                                                                                                                                                                                   |
| Rack mount:        | Ne                                                                                                                                                                                                                                                                                           |
| Metod prenosa:     | Store and Forward                                                                                                                                                                                                                                                                            |
| MAC Address Table: | 1K                                                                                                                                                                                                                                                                                           |
| Sertifikati:       | FCC, CE, RoHs                                                                                                                                                                                                                                                                                |
| Ostalo:            | 16 10100Mbps Auto-Negotiation<br>RJ45 ports, Supports Auto MDI<br>MDIX Green Ethernet technology<br>saves the power up to 80% IEEE<br>802.3x flow control provides<br>reliable data transfer Plastic<br>case, desktop or wall-mounting<br>design Plug and play, no<br>configuration required |
| Dimenzije:         | 200*142*40 mm                                                                                                                                                                                                                                                                                |
| Sadržaj pakovanja: | 16-Port 1010Mbps Desktop<br>Switch TL-SF1016D Power<br>Adapter User Guide                                                                                                                                                                                                                    |
