Seagate® BarraCuda(TM) PCIe, 500GB SSD, M.2  
2280 PCIe 4.0 NVMe, ReadWrite: 3,600 2,400  
MBs, EAN: 8719706434584 ( ZP500CV3A002 )

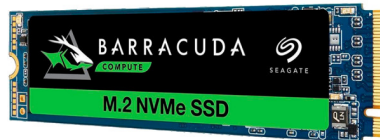

Šifra: 152794  
Kategorija proizvoda: SSD  
Proizvođač: Seagate

**MpCena:** 7.502,00 rsd.

cena za odloženo plaćanje i kupovinu na rate

**Web Cena:** 6.251,00 rsd.

cena za web porudžbine i avansno plaćanje

|                                            |                                                            |
|--------------------------------------------|------------------------------------------------------------|
| Device Location:                           | Internal                                                   |
| Form Factor:                               | M.2 22x80mm                                                |
| Storage Capacity:                          | 500 GB                                                     |
| Supports Data Channel:                     | PCIe NVMe 4.0 x4                                           |
| Certifications:                            | RoHs                                                       |
| Memory Technology:                         | 3D NAND                                                    |
| Flash Memory Cell Technology:              | Triple-Level Cell                                          |
| Included Accessories:                      | Quick Start Guide                                          |
| Maximum Random Read Rate:                  | 410000 IOPS                                                |
| Maximum Random Write Rate:                 | 540000 IOPS                                                |
| Maximum Sequential Read Rate:              | 3500 MBs                                                   |
| Maximum Sequential Write Rate:             | 2400 MBs                                                   |
| Total Bytes Written (TBW):                 | 320 TB                                                     |
| Mean Time Between Failures:                | 1800000 hr                                                 |
| Solid State Drive Features:                | S.M.A.R.T.<br>TRIM Support<br>NVMe Support<br>Halogen Free |
| Shock Tolerance Operating:                 | 1500G @ 0.5ms                                              |
| Maximum Power Consumption:                 | 4.6 W                                                      |
| Maximum Operating Ambient Temperature:     | 70 °C                                                      |
| Minimum Operating Ambient Temperature:     | 0 °C                                                       |
| Maximum Non-Operating Ambient Temperature: | 85 °C                                                      |
| Minimum Non-Operating                      |                                                            |

|                               |               |
|-------------------------------|---------------|
| Ambient Temperature:          | -40 °C        |
| Width (mm):                   | 22.15 mm      |
| Height (mm):                  | 2.23 mm       |
| Depth (mm):                   | 80.15 mm      |
| Warranty Products Returnable: | Yes           |
| Warranty Term (month):        | 36 month(s)   |
| Warranty validation Criteria: | Serial Number |
| Pack Weight Brutto (kg):      | 0.008 kg      |
| Pieces in pack:               | 1             |
| Box Weight Brutto (kg):       | 0.008 kg      |

**Uvek smo ovde i tako već 20 godina!**
