

## UBIQUITI UAP-NANOHD-EU 4x4 MU-MIMO 802.11AC Wave 2 Access Point ( UAP-NANOHD-EU )

Šifra: 62534

Kategorija proizvoda: Ruteri, AP, Ekstenderi

Proizvođač: Ubiquiti

**MpCena:** 35.081,00 rsd.

cena za odloženo plaćanje i kupovinu na rate

**Web Cena:** 29.234,00 rsd.

cena za web porudžbine i avansno plaćanje

|                                  |                                                                                                                                                       |
|----------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------|
| Interface:                       | EthernetWi-Fi                                                                                                                                         |
| Local Area Network Architecture: | 10Base-T100Base-TX1000Base-T<br>Wireless                                                                                                              |
| Networking Form Factor:          | External                                                                                                                                              |
| Uplink Port Type:                | 1 x 10Base-T100Base-TX1000Base-T                                                                                                                      |
| Number of Ports:                 | 1                                                                                                                                                     |
| Switching Protocol:              | Ethernet                                                                                                                                              |
| Data Link Protocol Supports:     | Gigabit EthernetFast<br>EthernetEthernet<br>IEEE 802.11abgnac                                                                                         |
| Device Location:                 | External                                                                                                                                              |
| Wi-Fi Band Frequency:            | 2.4 GHz5 GHz                                                                                                                                          |

| Antenna:                         | Internal                                                                                                                                              |
| Power over Ethernet:             |                                                                                                                                                       |

#### External

|                                        |               |
|----------------------------------------|---------------|
| Power Consumption Operational:         | 10.5 W        |
| Included Accessories:                  | Mount kit     |
| Package Type:                          | Other         |
| Depth (mm):                            | 160 mm        |
| Height (mm):                           | 32.65 mm      |
| Width (mm):                            | 160 mm        |
| Nominal Weight:                        | 0.3 kg        |
| Maximum Operating Ambient Temperature: | 70 °C         |
| Maximum Operating Humidity:            | 95 %          |
| Minimum Operating Ambient Temperature: | -10 °C        |
| Minimum Operating Humidity:            | 5 %           |
| Warranty Products returnable:          | Yes           |
| Warranty Term (month):                 | 12 month(s)   |
| Warranty validation Criteria:          | Serial Number |
| Pack Weight Brutto (kg):               | 1.2 kg        |
| Pack Weight Netto (kg):                | 0.32 kg       |

**Uvek smo ovde i tako već 20 godina!**
